Brick are the standard that all other materials are measured by. Being natural clay, they are the products that have a proven track record of low maintenance, color permanence, durability and low life cycle cost.

Brick have a projected life 50-80 years greater than other veneer materials.

Too often, our customers are led to believe that brick are too expensive. Let us show you how the installed costs of brick can be less than other materials. Compared to Interstate Brick, “Nothing Else Stacks UP!”

When it comes to selecting a long lasting, expressive siding with brick. Make your home
Our residential brick are manufactured in such an array of sizes, colors, textures, and finishes that **your choices are endless**!

Whether you are looking for old world charm, modern sophistication or understated prestige, we can “green” tumble, roll edges or smooth the surfaces as needed.

**Is cost a concern?** Not to worry. Let us show you how our larger brick sizes can increase production rates to reduce high labor costs. This may allow you the **home of your dreams** without breaking your budget.

**Imagine the Possibilities!**

When it comes to selecting a beautiful, low maintenance, long lasting, expressive siding material, nothing compares with brick. Make your home a brick home!
Are you building a full brick home and would like brick on your chimney and gables? Not a problem. **We can provide both full bed depth and thin brick on the same project.**

Thin brick can go places that full brick cannot - how about the dome in your dining room or the barrel vault ceiling in your wine cellar? Perhaps the new backsplash for your kitchen?

**Interstate Brick offers a full line of thin brick** and related installation supplies for all of our residential colors. Thin brick is easy to install, and a perfect option for those do

You Are The Creator –

One of the most significant advantages of brick is that it is installed one brick at a time. **Mix and match colors, create accents, quoins, and patterns as quickly as laying a brick.** You decide. If you need a little help with ideas, take a drive into your communities founding neighborhoods and see what others have done.
